QUALITY PROVISIONS STANDARD TEXT CODES	
TITLE	NUMBER 0116.1
SPECIAL PROCESS SUPPLIER'S QUALITY SYSTEM REQUIREMENTS	DATE 1/14/09
<p>The supplier shall maintain a quality system that ensures continuing conformance to Orbital's audit requirements for the special process being performed per this order. Maintaining certification for these special processes by the National Aerospace and Defense Contractors Accreditation Program (NADCAP) demonstrates compliance with this requirement. Orbital reserves the right to conduct surveillance at the supplier's facility to determine that the supplier's quality system is meeting these requirements. Any perceived or actual approval of supplier's program by Orbital does not constitute acceptance of goods or services or relief of purchase order or subcontract requirements.</p>
