

**Orbital Sciences Corporation  
Launch Systems Group**

---

<b>QUALITY PROVISIONS STANDARD TEXT CODES</b>	
<b>TITLE</b>	<b>NUMBER</b> 0431.3
<b>SPECIAL TOOLING REQUIREMENTS</b>	<b>DATE</b> 1/14/09
<p>This purchase order includes special tooling that will remain the property of Orbital or the U.S. Government. The referenced special tooling shall be stored at the supplier's location. The supplier shall take reasonable care of said tooling. The special tooling is not to be used for products not identified on this procurement without the written consent of Orbital. Supplier shall not remove any markings from the property. Supplier agrees not to sell, assign, loan, lease, mortgage, borrow against, pledge, or otherwise create a legal or equitable interest in the special tooling or otherwise permit the tooling to be subject to any legal process. Supplier shall attach an Orbital supplied property tag to the special tooling identified on this purchase order/subcontract. The supplier shall maintain inventory records for the identified item(s). Copies of such records shall be made available to Orbital upon request.</p>
