

**Orbital Sciences Corporation
Launch Systems Group**

QUALITY PROVISIONS STANDARD TEXT CODES	
TITLE	NUMBER 0722.3
FIRST ARTICLE INSPECTION PER SAE AS9102 REQUIRED	DATE 1/27/09

The supplier shall perform and submit a complete, partial, or re-accomplishment First Article Inspection Report (FAIR) that meets the requirements of the version of the Society of Automotive Engineers (SAE) document AS9102 in effect at the time of this order acceptance. For questions regarding SAE and for ordering SAE documents, contact the SAE website at <http://www.sae.org>. The supplier shall submit the FAIR to Orbital Supplier Quality via the Orbital Procurement Agent and receive approval prior to the delivery of the applicable items on this order. The supplier is responsible for the completeness and accuracy of the FAIR. The FAI will not be approved by Orbital Supplier Quality, nor will the item be accepted, until all documentation nonconformances of the FAIR have been corrected and all item nonconformances listed in the FAIR have been resolved per the nonconforming hardware requirements of this order.
