

**Orbital Sciences Corporation
Launch Systems Group**

QUALITY PROVISIONS STANDARD TEXT CODES	
TITLE	NUMBER 0731.2
CLOSE OUT PHOTOGRAPHS REQUIRED	DATE 1/14/09
<p>Included with the Product Acceptance Data Package shall be close out photographs of each item being delivered. The close out photographs shall be a series of photographs which document areas internal to the item that cannot be inspected without disassembly of the item. The Supplier shall ensure that the photographs are of sufficient quality and clarity to allow Orbital to verify that final assembly of the item is consistent with the details documented in the Design and Manufacturing Baselines. Each photograph shall be identified with the part number and serial number of the item being photographed.</p>
