

**Orbital Sciences Corporation
Launch Systems Group**

QUALITY PROVISIONS STANDARD TEXT CODES	
TITLE GOVERNMENT OVERSIGHT	NUMBER 0831.4
	DATE 2/26/09

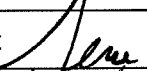

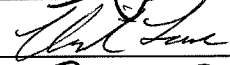

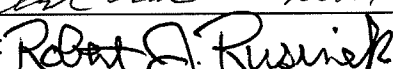

Items in this agreement shall have Government oversight determined by DCMA and the supplier. This agreement will be documented in a DCMA Letter of Delegation (separate from this agreement.).

Examples of oversight are:

1. As requested surveillance of quality systems, manufacturing processes and product requirements.
2. As requested or required Inspection prior to shipment from your plant.
3. As requested or Mandatory inspection points prior to further processing of the item.

As required the Supplier shall make available all applicable drawings, specifications, and changes related to the requested inspection and/or surveillance. The Supplier shall provide all reasonable facilities and assistance for the safety and convenience of the inspection and surveillance. Any agreement between DCMA and the supplier that creates an impact to the procurement must be approved by Orbital Sciences Corporation prior to proceeding.

The supplier shall notify Orbital Sciences Corporation of final agreement by providing a copy of the DCMA Letter of Delegation.
