<b>QUALITY PROVISIONS STANDARD TEXT CODES</b>	
<b>TITLE</b>	<b>NUMBER 1022.4</b>
<b>AS-DESIGNED/AS-BUILT CONFIGURATION RECORD REQUIRED</b>	<b>DATE</b> 1/14/09
<p>Included with each shipment shall be an As-Designed/As-Built (ADAB) configuration record listing all the part numbers and revisions required in the design baseline and all the actual part numbers and revisions used in the item(s) being supplied. All serial numbers, lot and batch numbers, date codes, and other traceability data of the individual components that form the system being delivered shall be included. Suppliers of all parts with the exception of military grade piece parts (i.e., EEE parts, fasteners, etc.) shall be identified. The ADAB configuration record shall include similar data for all sub-assemblies provided by sub-tier suppliers. All departures from the as-designed configuration baseline and the as-built configuration being supplied shall be reconciled with and approved by Orbital prior to shipment with the method of acceptance of each departure noted on the document.</p>
