<b>QUALITY PROVISIONS STANDARD TEXT CODES</b>	
<b>TITLE</b>	<b>NUMBER</b> 1211.4
<b>MRB AUTHORITY (LIMITED) GRANTED TO SUPPLIER</b>	<b>DATE</b> 1/14/09
<p>The supplier is Granted Material Review Board (MRB) authority to disposition nonconformances occurring prior to acceptance testing. Any dispositions of nonconformances identified during or after acceptance testing shall require Orbital approval per the method identified in Standard Text Code 0131. Submittal or re-submittal of nonconforming material which has been determined acceptable by Orbital by this means shall be identified on the Certificate of Conformance with the corresponding Orbital NC number. For example: "Repaired per NC #12345". Orbital shall be notified of all USE-AS-IS or REPAIR dispositions within 5 business days of determining the disposition. All nonconformance reports and/or documents shall be included in the supplier's inspection records and shall be available for inspection by Orbital.</p>
