

Orbital Sciences Corporation
Launch Systems Group

QUALITY PROVISIONS STANDARD TEXT CODES	
TITLE	NUMBER 1212.1
MRB AUTHORITY GRANTED TO SUPPLIER	DATE 1/14/09
<p>For supplier designed product, or supplier designed product which is controlled via a customer specification, nonconformances may be dispositioned by the supplier as USE-AS-IS or REPAIR, provided the nonconformity does not result in a departure from customer specified requirements or the qualification baseline. Orbital shall be notified of all USE-AS-IS or REPAIR dispositions within 5 business days of determining the disposition. All nonconformance reports or documents shall be included in all supplier inspection records and shall be available for inspection by Orbital.</p>
