Launch Systems Group**

QUALITY PROVISIONS STANDARD TEXT CODES	
TITLE REQUIREMENTS FOR APPROVAL OF NONCONFORMANCE IN SUPPLIER DESIGNED ITEMS	NUMBER 1242.3
	DATE 1/14/09
<p>The design of the item(s) to be delivered per this order is controlled by the supplier. Any nonconformances dispositioned USE-AS-IS or REPAIR shall require Orbital approval per the method identified in Standard Text Code 0131. The supplier shall contact their Orbital Procurement Agent as soon as practical and provide the contact with all the information available. The supplier shall support Orbital in the investigation of the discrepancy to the extent necessary for Orbital's disposition. Submittal or re-submittal of nonconforming material which has been determined acceptable by Orbital by this means shall be identified on the Certificate of Conformance with the corresponding Orbital Nonconformance (NC) report number. For example: "Repaired per NC #12345".</p>
